Finca Los Palmitos is a private property away from outside noise, ideal for groups and events, and to be in contact with nature.

THE FARM

THE FARM

*180.000 square meters of banana trees,
avocado trees and other fruit trees.*

Finca Los Palmitos is an organic family farm dedicated to growing banana trees for two generations. Our farm was born from the experience of our grandfather, and above all from the current enthusiasm of starting a sustainable, natural and environmentally friendly business. Unique spaces and exclusive flavors, where you can embrace nature and live an unforgettable experience.

Our commitment to sustainability and the local community is evident in the fact that it is an organic farm, free of pesticides and herbicides, and with a team that lives in the same municipality of Arucas, leaving a smaller carbon footprint.

La villa de Salvador es perfecta para pasar unas vacaciones relajantes. Ubicada en el palmeral de su propiedad, es una antigua casa señorial totalmente renovada. Nuestra estancia fue perfecta en todos los aspectos.

MARAVILLOSA

· TOTALMENTE RECOMENDABLE. Nos encantó la Villa. Lugar muy tranquilo, ideal para descansar y desconectar. La finca es enorme y se puede pasear. Pasamos unos días geniales. Todo cuidado al detalle, no faltaba nada. Muy limpio y ordenado. El anfitrión muy profesional, inmejorable atención, muy atento y rápido a nuestras dudas. Las zonas exteriores barbacoa, piscina y cancha tenis,...geniales. Añadir también lo bien situada, cercana a núcleo urbano para comprar y también a la costa. Días inolvidables y noches preciosas de luna y sonidos de la naturaleza. Sin duda repetiremos!!

· Nos gustó todo

REMOTE WORKERS

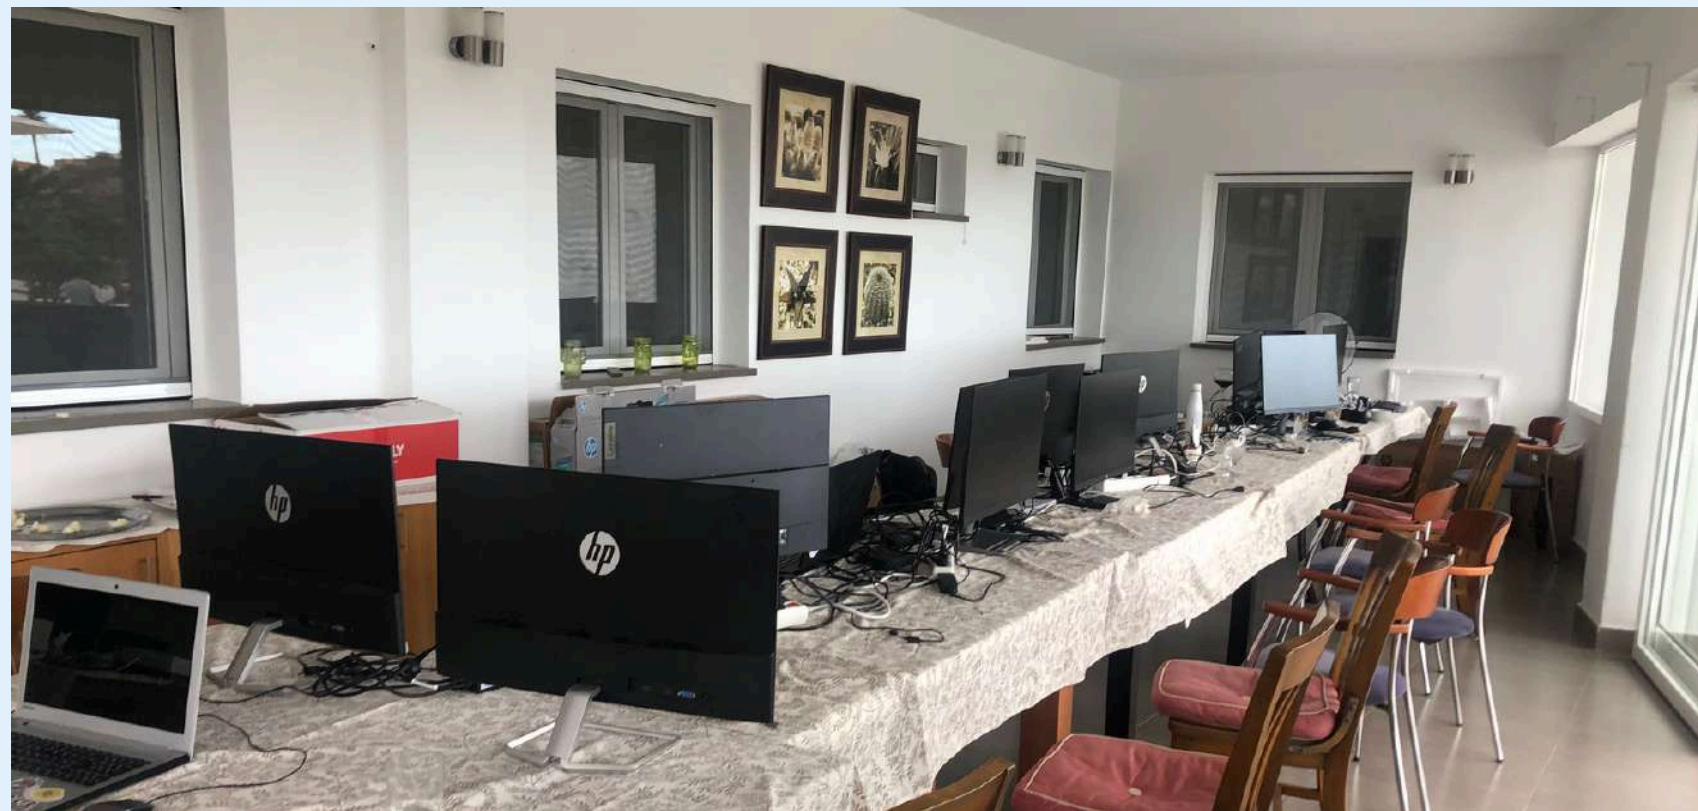

REMOTE WORKERS

Favorite destination for teleworking

Gran Canaria is currently one of the most attractive locations for remote workers and digital nomads, with a consolidated and continuously growing community of teleworkers.

Finca Los Palmitos has already hosted several European companies, who have chosen to work and relax in a unique natural environment, far from noise but with all the comforts and the best fiber optics.

(Traducido por Google) Reservamos 3 de las 4 casas durante 4 semanas con nuestra empresa para trabajar desde allí. Estábamos realmente encantados con las instalaciones y las casas.

Las casas están súper equipadas, ya sea mini freidora o cafetera Nespresso, realmente es de todo lo que hay. ¡Una cocina al aire libre incluso tiene un horno de pizza!

Salva, el dueño de la casa, es súper amable y nos trajo plátanos frescos regularmente y también su equipo estaba muy limpio.

Especialmente los grupos más grandes recomiendo la instalación, porque puedes reservar directamente varias casas una al lado de la otra.

¡Definitivamente intentaremos volver el próximo año!

¡Muchas gracias a Salva y su equipo!

We booked 3 of the 4 houses for 4 weeks with our company to work from there. We were really thrilled with the facility and the houses.

The houses are super equipped, whether mini fryer or Nespresso machine, it is really everything there. One outdoor kitchen even has a pizza oven!!!

Salva the house owner is super nice and brought us regularly fresh bananas and also his team were really clean.

I especially larger groups the facility recommend, because you can book directly several houses next to each other.

We will definitely try to come back next year!

Many thanks to Salva and his team!

It also has options for offices, dressing rooms, changing rooms and/or accommodation with capacity for 45 people.

SOME PRODUCTIONS AND FILMING

Finca Los Palmitos has been chosen as the logistics and operations centre for large productions. Our multifunctional spaces make us a comfortable and unique place to shoot, as well as a general operations centre, set construction, storage, among other possibilities.
